

RESOLUTION 2019-03R

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF FREDERICKSBURG, TEXAS, OPPOSING THE ROUTING OF THE PROPOSED PERMIAN HIGHWAY PIPELINE THROUGH GILLESPIE COUNTY; REQUESTING IMMEDIATE ACTION FROM THE STATE LEGISLATURE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Kinder Morgan and Exxon Mobil in partnership with EagleClaw Midstream Ventures ("Private Partnership") have begun the process of routing a 42-inch underground high-pressure natural gas pipeline, known as the Permian Highway Pipeline ("PHP") from Coynosa, Texas to Sheridan, Texas through the Texas Hill Country including Gillespie County; and

WHEREAS, the laws of Texas provide for little oversight of the routing of private pipelines like the PHP pipeline and the laws of Texas provide no formal opportunity for the landowners of the impacted property to participate in the routing selection process; and

WHEREAS, the PHP project will traverse the properties of multiple landowners and the Private Partnership has asserted it intends to take and clear cut trees and vegetation for a permanent easement of fifty (50) feet, plus additional property for a temporary construction easement; and

WHEREAS, the Private Partnership has not performed a formal Environmental Impact Study evaluating the potential impact to property near or adjacent to the PHP, the Ellenburger Aquifer, other groundwater sources, erosion, drainage, subsidence and other generally detrimental impacts to the surrounding community; and

WHEREAS, local citizens have expressed strong concerns and opposition to the presence of the PHP in Gillespie County due to its potential negative impacts to the environment, soil, air, tourism, water system, and land values; and

WHEREAS, the PHP project will cause developmental limitations on affected properties and will cause a decrease in value to affected properties; and

WHEREAS, the City of Fredericksburg has an interest in the protection of its natural resources including the Ellenburger Aquifer and an interest in how the PHP may affect its citizens;

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF FREDERICKSBURG, TEXAS:

Part 1. **Findings of Fact.** The above and foregoing recitals are hereby found to be true and correct and are incorporated herein as findings of fact.

Part 2. **Opposition.** The City of Fredericksburg opposes the PHP on behalf of the

interests of its citizens and in recognition of the potential harm the PHP poses to its natural and economic resources.

Part 3. **Call to Action.** The City of Fredericksburg requests immediate action by all members of both houses of the Texas Legislature to protect landowners, landowners' property rights and communities from the negative impact of PHP and other potential oil and gas pipelines by:

1. Creating a regulatory process for oil and gas pipeline routing that enables impacted landowners and communities to have a voice and to have the right to participate in a public, open, and transparent routing process much like the process for selecting the routing of electric transmission lines before the Public Utility Commission.
2. Requiring formal and thorough Environmental and Economic Impact Studies for all intra-state oil and gas pipelines, including the participation of governmental entities and affected landowners.
3. Requiring substantial governmental oversight over the power of eminent domain delegated to private companies or rescinding the unlimited power of eminent domain delegated to private companies.

Part 4. **Effective Date.** This resolution shall become effective immediately upon adoption.

PASSED AND ADOPTED on April 15, 2019.
