## WATERSHED STEWARD

The Texas Watershed Steward program is a free, educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

**September 24, 2024:  
1:00 p.m. - 5:00 p.m.**

Wimberley Community Center  
14068 Ranch Rd 12  
Wimberley, TX 78676

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Cypress Creek and Blanco River watersheds. Local efforts and best management practices local stakeholders may use to help improve and protect their water quality will be highlighted. Free continuing education credits/CEUs are offered for a wide variety of professional disciplines. For a complete list of continuing education offered, or to register, visit our website or call the number below.

**Pre-register for the workshop by going to:**  
<https://tws.tamu.edu/workshops/registration>  
**or call 979.321.5935**

## Wimberley, TX

Workshop provided through Clean Water Act §319(h) nonpoint source grant funding from the TSSWCB and U.S. EPA.
